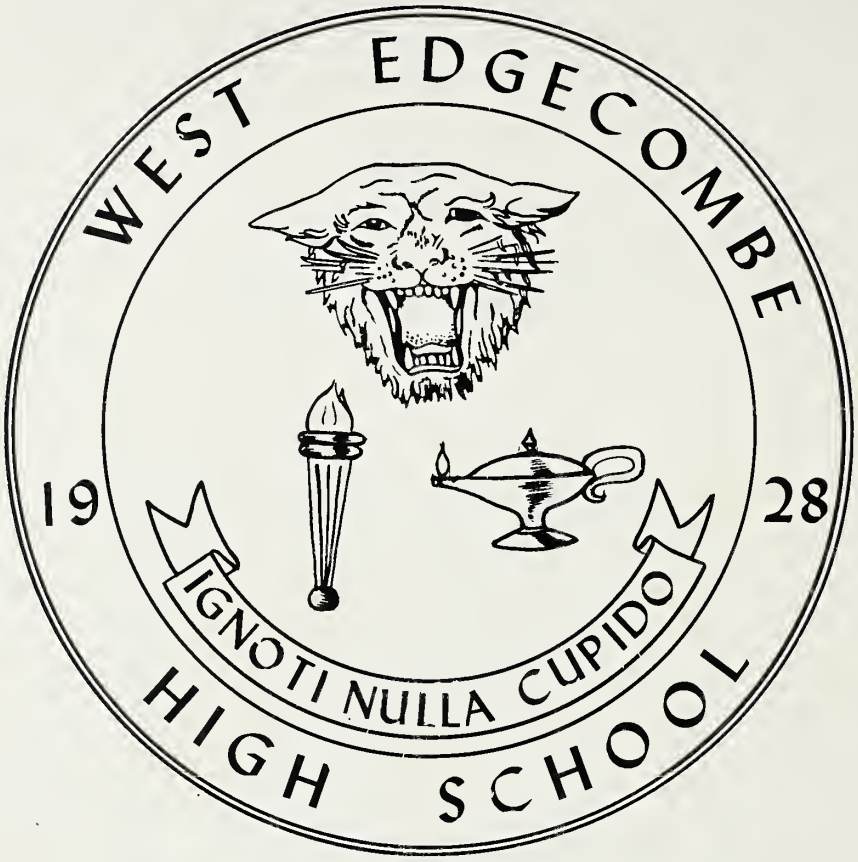
THE 1966 WESCOMB

PUBLISHED BY
THE SENIOR CLASS
OF

WEST EDGECOMBE SCHOOL

Route 2
Rocky Mount, North Carolina

FOREWORD



TO THE STUDENTS, TO THE FACULTY, TO THE PARENTS

We, the class of 1966, will take with us many fond memories of West Edgecombe High School: the activities, the classes, the fun, the hard work, the people, the sorrows. These are the memories we shall never forget--some will be remembered better than others. We know that our achievements will grow dimmer to those remaining behind. However, we hope this Wescomb will reveal not only our school life but also the expression of the warm and sincere ideals of our school. We hope this book will serve as an everlasting reflection of the time we spent at West Edgecombe.

DEDICATION

MRS. THERESA BROWN

The Senior Class proudly dedicates this 1966 WESCOMB to Mrs. Theresa Brown who has dedicated her life to the training of future homemakers. She has laid the foundation for academic, moral, and social activities which will play an important role in the later lives of her students. Her untiring efforts in leading young people will long be remembered.

We, the seniors, proudly dedicate this 1966 WESCOMB to you, Mr. Fred Langford, for your patience and understanding shown to us. Your capable management in cultivating us for the future will long be remembered. However, we would like to add to this tribute by this WESCOMB to the man "devoted to the soil."

MR. FRED LANGFORD

ADMINISTRATION

PRINCIPAL

Mr. R. M. Cashwell

The major objectives of our school are to impart knowledge and to build character. This book is designed to present a general knowledge of the student life at West Edgecombe School. We hope that all our students have received mental and moral reinforcements that will prove beneficial to them throughout their lives. Life now offers so many challenges and opportunities, but everyone must pay the price of achieving anything worth having. The price will be work, patience, love, and self-sacrifice. Don't ever give up--Excel in whatever you desire.

Mrs. Brown,

It's been just terrible being in your Home Ec. classes these past two years, I don't see why the girls don't get up a petition for a new Home Ec. teacher. Or FHA your just terrible you don't know how to organize anything, I bet I could do a better job with my eyes blindfold. Came last summer would have been a lot more fun if we had, had another advisor. At the district rally you were just terrible. When I set down to remember dear old West Edgecombe I always think of old Lady Brown and how she loved to give tests.

Putting all kidding aside, lots of luck and the best of wishes for you and your students in the future. Your one of the best teacher's out here.

Love ya always,
Student of class of '68
Deborah Jefferson (Hoss)

P.S. Hope you didn't take the first paragraph seriously, because I don't want you to remember it when go to make out my final grade.

Mrs. Brown,

I have really enjoyed being in your classes these past years. I shall always remember you when I think of "school" in my future years.

Best of luck!

A Student to remember,

Faye Hathaway
(ELTON)

"SENIOR-66"

10th

Mrs. Brown,

You're a very sweet teacher who I admire alot. I have enjoyed being in your class this year. Best of luck in the future.

Love ya,
Joyce Brooks

Mrs. Brown,

It really has been fun in your class this year. I'll never forget all your helping advice. I know you'll never forget my mouth running all the time. But I'll try to hurry it clamped by next year. Have a wonderful teacher. But I'll be back in the 3rd grade

and

Mrs Brown

I will always remember you for your
Guidance and understanding. I really enjoyed
Home even if I wasn't very smart.
You are a wonderful teacher and person.
I will never forget that week at FHA
camp I really had a great time. I will
always remember you and your wonderful
ways. I am going to try to break that
habit when I talk, I've almost conquered
it now. Best of luck and may happiness
always be with you. May God's blessings
always be with you and yours. Don't
forget me. I'll come back to see you
next year to see if "you are still as
crazy as ever."

Lots of love
Brenda Lee Todd

Mrs. "T."

I'll start off with telling you how much I missed being in your class this year. Even if I didn't learn very much learning, I enjoyed hearing you talk and tell about your wild school days. I was kidding about not learning very much. I really think I learned a great deal that will help me later on in life. My mother always said that I listened to you better than her anyway. I'll have to admit that during my freshmen year when I was in your class for the first time, that I really wasn't to crazy about you. Boy was I wrong about you. The second year was a whole lot better, but by third year I fell passionately in love with a great teacher. I'm so glad our Senior class were the ones that dedicated the annual to you. If anyone deserves it any more I can't think of a soul. I felt like you knew what was going on that day the photographer took the picture. I think the reason that I learned to like you alot is because of that we sat camp. You really are a great sport. (about a great many things) You seemed to be a different person all the way around. I think anybody that will wash their hair in White Lake water will do anything. Seriously Mrs. "T." I have really enjoyed knowing a wonderful teacher woman as you. You have left pleasant memories with me instead of terrible ones like some teachers I know. Since this is my last year, I'll probably come to see you next year. (If you don't mind.)

May God Be With You and
Uncle Milt always.

Love Ya. "Tinka Bell"
